

Who can I contact to get my voice Heard?

Who to object too:

1

 **Xlinks Consultation Team**

Submit your consultation response directly to Xlinks before 11 August 2026.

 **Data Centre Consultation**

 valeon@devondatacampus.com

 **Battery Energy Storage System (BESS)**

 battery@devondatacampus.com

 **Torridge District Council**

Once the planning applications have been submitted, formal planning comments and objections should be submitted through Torridge District Council's Planning Portal.

 **Your Local Councillors**

Share your concerns with your local ward councillors and ask them to represent your views.

 **Your Parish Council**

Many parish councils submit consultation responses and planning comments on behalf of their communities. Contact yours to make your views known.

 **Your MP**

You can also write to your Member of Parliament to explain your concerns and ask them to support the community's views.

? NEED HELP?

If you're unsure what to write or have any questions about the consultation, please contact an admin or message me directly. We're happy to help.

Please note: Xlinks has two separate consultation email addresses. Make sure you send your response to the correct one depending on whether you're commenting on the Data Centre or the Battery Energy Storage System (BESS).

 **Data Centre:**

data@devondatacampus.com

 **Battery Energy Storage System (BESS):**

battery@devondatacampus.com
